The purchase of this BMW Motorcycle and associated equipment will be to add a second police motorcycle to the fleet. This motorcycle will be used as front line fully equipped and marked MPD patrol vehicle. The need for the second motor unit to the fleet is supported by:

1. Increase in traffic flow due to increase in population, and
2. Increase in injury related crashes due to inattentive and impaired drivers, and
3. The need for specified traffic related deployment 7 days a week versus the 4 days currently.
