Discussion and Action.

After roads receive preventive maintenance treatments such as crack seal and slurry seal, it is necessary to replace pavement markings such as striping, stop bars, and crosswalks. This contract will allow the City to schedule these services after preventive maintenance and/or other asphalt repair or road construction.

This item will be presented by Public Works Director/City Engineer William P. Fay.

Staff recommends that the Mayor and City Council approve the contract with Franklin Striping, Inc. for striping of City streets. This contract, in an amount not-to-exceed \$125,000, will be funded by Local Road Maintenance Fund-Engineering, Street Projects-Capital (20555155-67750) and 1/2 Cent Road Tax Fund-Transportation, Street Projects-Capital, Street Maintenance (30044146-67750-34005). Pricing is based on Maricopa County Contract No. 14097-S. This contract is in compliance with City of Maricopa Purchasing Code Article IV, Section 3-223 "Cooperative Purchasing."
