City Hall, Copper Sky Recreation Complex, Maricopa Public Library, and Pacana Park require janitorial services each workday. Services required at these City facilities include, but are not limited to, basic vacuuming, dusting, trash removal, and cleaning of restrooms and break rooms. Additionally, semiannual carpet cleaning will be needed. The recommended vendor will provide these cleaning services and will supply and stock all cleaning equipment, supplies, paper products and soaps for these facilities.

Based on an evaluation of the firms that responded to the Request for Proposals, the evaluation committee recommends an Award of Contract to Carnation Building Services, Inc. The City may contract for a term of one year, with an option of two one-year renewals.
