The Mayor and City Council shall discuss and possibly take action on approving a Second Amendment to extend the contract with Mr. Arnold Jackson to provide coordination services for the Age Friendly Maricopa project. Discussion and Action.

In September 2014 the Mayor and Council approve the hiring of a contract individual to assist with structuring and launching the Maricopa Aging In Place Program. Since that time the program has evolved to the Maricopa Age-Friendly Program and a strategic plan for moving the program forward has been developed. To successfully advance the strategic plan, resources must be allocated to this area. The contract amendment proposed would enable staff to continue advancing the projects proposed in the strategic plan. Funding to cover the cost of the contract amendment will be from the City Manager’s professional and occupational services account (1001115-53320).

This item will be presented by Gregory Rose, City Manager.

Staff recommends approval of the contract amendment with Mr. Arnold Jackson to provide coordination services for the Age Friendly Maricopa project.
