A Resolution of the Mayor and City Council of the City of Maricopa, Arizona, approving and adopting revised Heritage District Design Guidelines for the City of Maricopa. Discussion and Action.

The Zoning Code Rewrite Task Force, Heritage District Advisory Committee, and Planning and Zoning Commission recommend the City Council adopt the attached Resolution 14-45 for the Heritage District Design Guidelines. These guidelines were originally adopted by the City Council on June 7, 2011 by Council action. No changes are proposed to the original document; however, the public comment cards that accompanied the original document have been removed for clarity. The proposed Zoning Code references the Heritage District Design Guidelines by name and staff recommends these guidelines be formally adopted by this resolution.
