Discussion and action.

The state of Arizona department of Liquor Licenses and Control requires that an application for a special event license be approved by local government before submission to their office.

In preparation for the Copa Cultural Night Market that is planned for April 27th, 2024 at Copper Sky, Brenda Campbell has applied for Councils' consideration in recommending approval for the special event liquor license.

This is the third year in producing this multi-cultural event. A celebration of diversity and the arts is the focus and being able to incorporate various food offerings from different cultures as well as beverages in the beer garden, provides a unique element of the event. We will be charging for parking and strongly encouraging pre-sale parking and complimentary shuttle service.

This item will be presented by Quinn Konold, Community Enrichment Director.
