The Mayor and City Council shall discuss and possibly take action on approving a Line Extension Agreement with Global Water Resources for water utilities to serve the Copper Sky Police Substation. Discussion and Action.

All new development within Global Water Resources jurisdiction (CC&N) is required to execute a Line Extension Agreement (LXA) for water utility services. The LXA covers the extension of water facilities that the City is responsible for installing/ constructing to serve the Copper Sky Police Substation.

This item will be presented by Bill Fay, Public Works Director/City Engineer.

Staff recommends that the Mayor and City Council approve the Global Water Resources Line Extension Agreement for water utilities to serve the Copper Sky Police Substation.
