An Ordinance of the Mayor and City Council of the City of Maricopa, Arizona, amending Section 8-8-26 of the Maricopa City Code regarding exemptions to the requirements for Massage Establishment Licenses and providing for severability and the effective date thereof.

In 2015, City Council adopted Article 8-8 of the City Code to establish regulations for Massage Establishments. Since that time, the City recieved a request for a business license from a mobile massage provider which caused staff to review the current code provisions. Under the current code provisions, a mobile massage business would not be able to operate in the City of Maricopa. In an effort to be a more business-friendly community, City staff is proposing a revision to the City Code to exempt mobile massage providers from certain City Code requirements that prohibit them from operating within the City.

This item will be presented by Martin Scribner, Development Services Director.

Staff recommends that the Mayor and Council adopt this Ordinance.
