The Mayor and City Council shall discuss and possibly take action on approving Line Extension Agreements with Global Water Resources for wastewater utilities to serve the Copper Sky Police Substation. Discussion and Action.

All new development within Global Water Resources' jurisdiction requires the execution of Line Extension Agreements (LXAs) for water and wastewater utility services. These LXAs cover the extension of water and wastewater facilities that the City is responsible for installing/constructing to serve the Copper Sky Police Substation.

This item will be presented by Public Works Director/City Engineer William P. Fay.

Staff recommends that the Mayor and City Council approve the Line Extension Agreements with Global Water Resources for water and wastewater utilities to serve the Copper Sky Police Substation.
