

City of Maricopa

Legislation Text

File #: PRES 23-06, **Version:** 1

The Mayor and City Council shall hear a presentation regarding mass notification alerts. Discussion only.

The purpose of this agenda item is to provide a presentation on mass notification alert strategies to the City Council. The presentation will be delivered by the Communications and Cultural Services Director and will focus on the different ways that the City can notify residents about emergency situations, such as fires, criminal activity and unexpected road closures.

Council shall hear the presentation.
