The Mayor and City Council shall discuss and possibly take action on approving a budgetary transfer in the amount of \$5,000 from the contingency fund (10010000-99000) to the City Clerk budget (10011212-55610) for the purpose of funding various Committees. Discussion and Action.

The Budget, Finance and Operations met on July 31, 2017 to discuss funding for the various Boards, Committees and Commission (BCC). They discussed allocating funds for the Age-Friendly Maricopa Advisory Committee, Cultural Affairs Committee and the Veteran Affairs Committee. They agreed to budget \$5,000, \$1,500 for each of the three committees. This would be a match program so the funds they raise would be matched from the \$1,500. These funds could also be used for an Arts Committee should that be created in the future.

Staff recommends approval of the budgetary transfer.
