File #: RES 18-21, **Version:** 1

A Resolution of the Mayor and City Council of the City of Maricopa, Arizona, declaring and adopting the results of the Primary Election held on August 28, 2018. Discussion and Action.

A.R.S. §16-642 requires that the governing body holding an election meet and canvass the election not less than six days nor more than twenty days following the election. Although the canvass of the vote does not need to be done by a Resolution, our practice has been to do it as a Resolution because they are considered a permanent record.

Please note that the Resolution will be attached to this item once the final results are received from Pinal County Elections Department.

Staff recommends approval of this Resolution.
