Legislation Text

File #: PRES 16-26, **Version:** 1

The Mayor and City Council shall hear a presentation regarding the Fire Department Hydrant Inspection/Flushing Program. Discussion Only.

Staff will provide a brief background on both private water utility companies (Global Water and Maricopa Domestic Water) as well as information pertaining to current status of fire hydrant flow data, flushing and maintenance records.

This presentation will be presented by Fire Chief Leffler and Assistant Chief Storm.

Staff recommends that Council hear the presentation.
