The Mayor and City Council shall hear an update on the Pinal County Transportation Maintenance and Improvement Fund.

The Pinal County Transportation Maintenance and Improvement Fund was originally established in 1986 to fund transportation infrastructure across the County. For nearly forty years, Pinal County has had a half-cent sales tax component levied to improve streets and roads in the county and its incorporated cities and towns. This presentation will provide an update and give information about the Fund.

Deputy City Manager Benjamin Bitter will introduce this item.

This item is for information only. No actions by the Mayor and Council are required.
