Staff is requesting Council consider a transfer of \$41,020 from General Fund, Contingency (10010000-99000) to Police Support Services Technical (10022123-53340) to cover the additional cost of dispatch services through the Pinal County Sheriff's Office. Discussion and Action.

Fifth amendment to and restatement of the Intergovernmental Agreement for Law Enforcement radio communications dispatch services provided to the City of Maricopa Police Department by Pinal County Sheriff's Office for term of agreement of (90) ninety days, beginning July 1, 2012 and ending on September 30, 2012.

For the term of the Agreement, the City shall pay County up to \$190,617.50; an amount more fully detailed in Exhibit "A" and identified as the Cost Matrix, representing the cost of providing dispatch services.

As part of the transition of police dispatch services from Pinal County to the City of Buckeye, the Mayor and City Council approved an intergovernmental agreement on June 5, 2012. The cost of the City of Buckeye agreement is \$149,598 per quarter (based on the \$598,391 annual cost estimate). The \$41,020 contingency request is to cover the additional cost to utilize Pinal County dispatch services through September 30 (\$190,618 less \$149,598).

Staff Recommends approval of this (90) ninety day Intergovernmental Agreement extension with the Pinal County Sheriff's Office and approval of a contingency transfer to cover the additional cost.
