This grant will replace the previous COPS Hiring Program grant that ended on June 30, 2023 and IGA 19-11 and IGA 20-05.

The grant is effective July 1, 2023- June 30, 2026. The total costs to the City for two months of salary and benefits is estimated to be \$22,204 annually per School Resource Officer. The School Resource Officer position is budgeted in GL 10022123-51100.

The SRO's will be on campus to assist with enforcement when necessary but more so to act as a role model, provide law enforcement related education, develop relationships and make referrals to victim services to follow up with families and connect them with services and programming.
