Discussion and Action.

The use of on body cameras is essential in capturing essential evidence, in both the audio and visual format to assist our police officers in providing a higher level of service to the community. On body cameras will provide a permanent record of the actions and interactions of our officers. Thus, providing a greater level of protection against unnecessary litigation while providing the department with a higher level of accountability regarding the actions of our officers.

Please see the attached purchasing summary for detailed information.
