City Hall, Copper Sky Recreation Complex, Maricopa Public Library, Pacana Park, Fire Administration, and Public Works/Fleet Maintenance require janitorial services each workday. Services required at these City facilities include, but are not limited to, basic vacuuming, dusting, trash removal, and cleaning of restrooms and break rooms. Additionally, semiannual carpet cleaning will be needed. The recommended vendor will provide these cleaning services and will supply and stock all cleaning equipment, supplies, paper products and soaps for these facilities.

The City issued a Request for Proposal for janitorial services and selected Carnation Building Services based on an evaluation of the responding firms. The total not-to-exceed amount requested includes \$25,000 contingency for unexpected services.

This item will be presented by Public Works Director/City Engineer William P. Fay.
