Transportation Alternatives (TA) are federally funded, community-based projects that expand travel choices and enhance the transportation experience by integrating modes and improving the cultural, historic, and environmental aspects of our transportation infrastructure.

The Fry's Shopping Center Sidewalk Project marks the fourth of three similar projects adding sidewalk infrastructure adjacent to State Route 347. Earlier and similar sidewalk projects include the installation of sidewalks adjacent to Cobblestone Farms, Alterra and Bashas' subdivisions. This project limit begins just north of the recently constructed sidewalk adjacent to Edison Pointe by installing sidewalk adjacent to the Fry's Shopping Center and connects the sidewalk network adjacent to Smith-Enke Road.

This item will be presented by Public Works Director/City Engineer William P. Fay.

Staff recommends Mayor and Council ratify the submission of a grant application for Transportation Alternatives through the Arizona Department of Transportation's Safe Routes to School Program in an amount not to exceed \$188,196 for installation of 1,425 linear feet of sidewalk adjacent to State Route 347 and the Fry's Shopping Center.
