The Mayor and City Council shall discuss and possibly take action on a request to approve an Intergovernmental Agreement (IGA) with Pinal County for the purpose of providing election services for the fall 2018 elections. Discussion and Action.

Pinal County requires that the City approve an IGA so that the Pinal County Recorder and Election Departments may provide voter registration and election services to the City for the upcoming Mayor and City Council elections scheduled for August 28, 2018 (Primary) and November 6, 2018 (General). Services provided by the County include, but are not limited to: preparing the ballot formats, mailing ballots to all registered voters within the City of Maricopa, early ballot signature verification, and tallying the official results of the election.

The City will provide the Elections Department with all the necessary documents to ensure the names and measures appear on the official ballot for the aforementioned elections as well as submit any preclearance requests to the United States Department of Justice as required under Section 5 of the Voting Rights Act.

The county's administrative service fee is \$0.75 per registered voter. As of 3/15/2018, there are 26,892 active voters and 1,924 inactive voters in Maricopa, for a total of 28,816. This means that the total estimated cost for each election is \$21,612.

Funds in the amount of \$50,000 will be included in the City Clerk's election budget for FY 2018/2019 to cover the county's related expenses and the cost to send a sample ballot to each home with a registered voter.

This item will be presented by Vanessa Bueras, City Clerk.

Staff recommends Mayor and City Council approve an Intergovernmental Agreement (IGA) with Pinal County for the purpose of providing election services for the fall 2018 elections.
