6/19/2018	1	City Council Work Session	The Presentation was heard.	

The Mayor and City Council shall hear a presentation on the current development process for commercial development.

The Mayor and City Council shall hear a presentation by staff on the current development process for a typical commercial development both small scale and large scale. This is part two (2) of a two (2) part presentation on the existing development process as it relates to residential subdivisions and commercial developments. On March 20, 2018, planning staff presented the residential development process.

Senior Planner, Rodolfo Lopez will present the information.

Presentation for information purposes only and no action is required at this time.
