The front desk area is open and welcoming, allowing staff to assist members of the public easily and freely. This also means that front desk staff members are vulnerable. The installation of two doors with badge access will provide a safe space for front desk staff to retreat to if they feel the need.

This item will be presented by Public Works Director/City Engineer William P. Fay.

Staff recommends that the Mayor and City Council approve the installation of two doors with badge access enhance the security of front desk staff members. Funding for this job order will be drawn from General Fund, General Government, Contingency (10010000-99000).
