City of Maricopa seeks to apply for Federal Emergency Management (FEMA) for costs related to emergency and protective measures conducted as a result of the COVID-19 Pandemic.

The Arizona Department of Emergency and Military Affairs (DEMA) requires the City of Maricopa to designate an agent to engage with FEMA and DEMA regarding assistance and grants applied for by the City. This resolution designates the Assistant City Manager to sign and execute applications and agreements for public assistance.

Staff recommends Council approving resolution for the designation of the Assistant City Manger to act as the Authorized Agent for the submission of a grant application to FEMA and DEMA.
