

City of Maricopa

Legislation Text

File #: MISC 17-21, **Version:** 1

The Mayor and City Council shall discuss and possibly take action to approve an Easement for Electric Lines with Electrical District No. 3 for the Fire Administration Relocation. Discussion and Action.

The City previously entered into a Design and Construction Agreement with Electric District No. 3 (ED 3) to provide power for the Fire Administration Relocation. Fire Administration is temporarily relocating into a modular building on Edison Road within the Estrella Gin Business Park. The electrical infrastructure will provide power for the temporary modular building. The Terms and Conditions of the Design and Construction Agreement state the City of Maricopa shall provide ED 3 an easement so they may access and maintain their electric facilities on the City's Estrella Gin Business Park site.

This item will be presented by Public Works Director/City Engineer William P. Fay.

Staff recommends that the Mayor and City Council approve the Easement for Electric Line with Electrical District No. 3 for the Fire Administration Relocation.
