

City of Maricopa

Legislation Text

File #: WSPRES 18-10, **Version:** 1

The Mayor and City Council shall hear a presentation on the current development process for residential subdivisions.

The Mayor and City Council shall hear a presentation by staff on the current development process for residential subdivisions. This will be part one (1) of a two (2) part presentation on the existing development process as it relates to residential subdivisions and commercial projects.

The presentation will be presented by Senior Planner, Rodolfo Lopez.

Presentation for information purposes only and no action is required at this time.
