The Mayor and City Council shall discuss and possibly take action on approving an Intergovernmental Agreement with Maricopa Consolidated Domestic Water Improvement District to evaluate the flushing hydrants within the District system. Discussion and Action.

The purpose and intent of this Intergovernmental Agreement ("Agreement") is to set forth the respective obligations of the City and District with respect to the terms and conditions of conducting a study and review of the flushing hydrants within the District's Maricopa System. Such study and review related to the City's desire to understand the fire flow supply from the flushing hydrants shall include, but not be limited to, inspecting the condition of the hydrant, valves, stems, caps and testing fire flow and pressure rates in accordance with NFPA 291 and NFPA 25.

Staff recommends approval of this Intergovernmental Agreement.
